

Zoom Social

Friday, May 15 at 8:00 PM

Join us Friday as we gather together to hang out, catch up with each other and just relax! Bring your favorite drink (coffee, tea, wine) and grab a fun-care item: nail polish, coloring book and pencils, face mask, a small craft, or just yourself in a quiet room.

**Note* — A small weatherproof box is sitting outside the church near the playground door with some self-care items for those who would like to pick up something new to have on hand Friday evening. Feel free to stop by anytime throughout the week and grab an item or two!*

We can't wait to "see" you and spend some quality time chatting and relaxing together on Friday!

Information and instructions about logging into the Zoom meeting will be emailed to those who signed up for the retreat.

If you need any help, check out www.sweetwaterchristian.org/zoom for some useful tutorial articles and videos.
